

BAKLIWAL TUTORIALS

where **BesT** students meet **BesT** teachers!

Comprehensive Accelerated Course (1 year course for 11th Passed students)

About Bakliwal Tutorials

Bakliwal Tutorials (BT) was started in March 2005 with the aim to help students preparing for IIT-JEE, realize their dreams, and to make sure that the preparation process itself becomes a fun filled and growth involving experience. The institute is successfully doing so and is now training more than 2500 students across various courses & centers. In the last 14 years more than 1200 students from BT have cleared IIT-JEE (now JEE-Advanced).

With many city & state toppers along with numerous selections in top 1000/2000/5000 in JEE, BT has produced unparalleled results in Maharashtra and also one of the best in India amongst institutes of BT's size.

Amongst the JEE training institutes in the country, BT has become synonymous with ethics and transparency. We give contact details of all our JEE Advanced qualified students on our website, in the results section. All our qualified students have been our regular classroom students and not distance learning, test series or crash course students.

About Comprehensive Accelerated Course

To succeed in prominent engineering entrance exams, one requires a thorough understanding of subjects: Physics, Chemistry and Mathematics, and the ability to solve unseen and new questions with accuracy and speed.

Comprehensive course design is such that a sincere student is bound to cultivate self-confidence and acquire a grip and easy 'feel' for all engineering entrance exams.

The classes would be conducted for minimum 6 days a week for 3 hours a day.

For now, classes will happen in online mode. After the lockdown is lifted, student will have an OPTION to shift to offline lectures or continue with the online lectures completely till the end. Teachers, syllabus, BTests, tutorials, doubt solving, fee etc will be same for both offline and online formats.

With 900+ hrs of Class Room/Online teaching and many more hours of doubt sessions, this one-year course for 11th passed students truly makes them ready for JEE and other engineering entrance exams.

Selection for the Comprehensive Accelerated Course program shall be based on the performance in this Entrance Test

Following shall be the new format for entrance exam this year: In our usual entrance exam every year, parents & students are first addressed by Vaibhav Bakliwal sir and then students appear for the entrance test on the same day at our head office (Lloyds Chambers). This year, due to the Covid-19 situation, we have to slightly modify the process and conduct the entire entrance process in **ONLINE** format.

1. Registration for the entrance exam has to be done online via BT's website: www.bakliwaltutorialsit.com.

2. The entrance exam shall be conducted at 4pm on the same day of registration (if you register before 2pm).

3. If registration is done after 2pm, the exam shall be conducted the next day at 4pm.

4. The test can be started anytime from 4 to 4:30 pm, and it shall continue for 3 hours from the time it started. Kindly note, student would not be able to begin the test after 4:30 PM. A stable internet connection shall help in smooth conduction of the test.

5. **Result** (which includes the type of batch and the scholarship won, if any) of the test shall be communicated within **24 hours**.

6. The fee for this entrance exam would be Rs. 100 only
