Leaflet for Foundation Basic Course

(For students who are selected from Pre Foundation Basic Course)

(9 months course for students currently in 7th std)

(Available in Synergy (offline + online) & completely online formats)

About Bakliwal Tutorials

Bakliwal Tutorials (BT) was started in March 2005 with the aim to help students preparing for IIT-JEE, realize their dreams, and make sure that the preparation process itself becomes a fun-filled and growth involving experience. The institute is successfully doing so and is now training more than 2500 students across various courses & centers. In the last 16 years, more than 1450+ students from BT have cleared IIT-JEE (now JEE-Advanced).

Year after year, in JEE, the number of selections in the top 1000/ 2000/ 5000/ 10000 ranks and overall from BT is substantially more than any other institute in Pune. Our success ratio is one of the best amongst all institutes across the country.

Amongst the JEE training institutes in the country, BT has become synonymous with ethics and transparency. In the results section, we give contact details of all our JEE Advanced qualified students on our website. All our qualified students have been our regular classroom students and not distance learning, test series or crash course students.

We earnestly request parents to objectively compare the result of institutes by visiting the results page of their websites and not fall for marketing blitzkrieg.

What makes BT different?

KVPY 2020, AIR 1
IIT(B) Computer Science

I joined Bakliwal Tutorials in my 8th standard for the foundation course and then there was no looking back. I was totally mesmerised by the highly proficient teachers and their zeal. The teachers in BT are very dynamic and guide students in all aspects of preparation. They are always proactive to clarify our doubts at any time of the day. There is never a single dull moment in the class. I wish to express my gratitude towards the entire BT Team "Lucky To Be A Btian"

IIT JEE 2010, AIR 11
AIEEE 2010, AIR 3
IIT(B) Computer Science

It has been a long association of 4 years. At BT, though we were actually taught PCM, we unknowingly also underwent personality development. I feel tremendously confident and positive about my merit. This confidence is nothing but BT's gift to me.

Video Testimonial: https://youtu.be/D_2uX2TQzI0?t=366

Karthik Mahesh
IIT JEE 2015, AIR 22
AIEEE 2015, AIR 104
IIT(B) Aerospace

I joined BT in the 9th standard as part of the Foundation program. My teachers at BT guided me all through my journey. They are the prime reason for my success. Specially Vaibhav sir, whose mental preparation techniques gave me confidence that I really would crack IIT.

Video Testimonial: <https://www.youtube.com/watch?v=fBc1uXYgi7M>

About Engineering Entrance Exams

Exam.	Syllabus	Difficulty level	Affiliated colleges
JEE Advanced (Conducted in last week of May)	Similar to PCM of 11th & 12th std. (All boards)	Difficult	Various IITs (Indian Institute of Technology), IIST (Indian Institute of Space Science & Technology)
JEE Main (Conducted in 4 Phases: January, February, March, & April)	Similar to PCM of 11th & 12th std. (All boards)	Moderate	Various NITs (National Institute of Technology), IIITs (Indian Institute of Information Technology), GFTIs (Govt. Funded Technical Institutes), few prominent private colleges & 15% in most Maharashtra engg. colleges
BITSAT (Conducted in the month of May)	Similar to PCM of 11th & 12th std. (All boards)	Moderate/ Easy	Various BITS (Birla Institute of Technology & Science)
MHT CET (Conducted in the month of May)	PCM of 11th & 12th std. (HSC board)	Easy	COEP Pune, VJTI Mumbai, PICT Pune & other engg. colleges of Maharashtra

Few other good institutes like VIT, SRM, KIT, IPU, MU etc. conduct their own exam.

*** If you study PCM properly, you are prepared for all competitive exams.***

About Foundation Course

The Foundation course at BT is thoughtfully designed to help students crack quality competitive exams. The Physics, Chemistry & Mathematics lectures and the corresponding assignment sheets are carefully planned to help early generation of interests in these subjects. The logic lectures further facilitate in developing the students analytical thinking and problem-solving abilities. The **introduction of coding** lectures since last year will also ensure that students understand the basic concepts of coding at this early age itself, thereby giving them a competitive edge.

At BT, we offer **2 lectures per week** in the Foundation course. Each lecture will be of 3 hours duration, with a 15 mins break in between. In addition to these 2 lectures per week, few special lectures will also be conducted for **preparation of important exams like Homi Bhabha, NTSE, Junior Science Olympiads and PRMO** etc.

Foundation course formats:

The Foundation course is offered in 2 formats:

1. Foundation Synergy (Offline + Online)
2. Foundation Online (Completely online)

1. Foundation Synergy:

In this format, every week, 1 lecture will be conducted in classroom coaching mode at our various centers and 1 lecture will be conducted in online mode. Online lectures are live lectures as per the batch timing, which the students can attend from the comfort of their homes. For classroom lectures, student can choose a center of his/her choice (out of the options available in this format in his merit-wise category).

2. Foundation online:

In this format, students will attend both lectures per week online. At BT, the online lectures are live and also lively where students participate via chat and by un-muting themselves responsibly.

*** If students wish, they will be allowed to shift from one format to another anytime during the course basis seat availability. ***

Sparkling stars of our Foundation course:

Worth mentioning few names of our Foundation & Comprehensive students who have performed exceptionally in IIT-JEE and other major competitive exams:

Student's Name	JEE Adv.Rank	Year	Joined BT in	Achievements
Akshat Chugh	2	2017	9 th	12 th CBSE board Maharashtra Topper, BITSAT- Maharashtra Topper, Cleared 1 st & 2 nd round Physics Olympiad, Cleared 1 st round Maths, Chemistry & Astronomy Olympiad, cleared KVPY, Whizzkid winner 2013 & 2015
Vedang Asgaonkar	7	2020	8 th	Pune Rank 1 in JEE Main, AIR 1 in KVPY 2020, Cleared 1 st & 2 nd round Physics & Chemistry Olympiad, Whizzkid winner 2018
Omkar Thakoor	11	2010	9 th	Cleared 2 nd round Physics Olympiad cleared RMO twice, cleared 1 st round Astronomy Olympiad, cleared KVPY, AIR 1 in technical exam 2008, Whizzkid winner 2006, 2007, 2008
Karthik Mahesh	22	2015	9 th	Cleared 1 st round Physics Olympiad, cleared KVPY
Soham Joshi	46	2021	8 th	KVPY Pune Topper, Cleared 2 nd round Chemistry & Math Olympiad, Cleared 1 st round Astronomy & Physics Olympiad
Abhro Bhuniya	54	2016	9 th	Cleared 1 st round Astronomy Olympiad & 2 nd round Chemistry Olympiad, cleared KVPY

Kalpesh Krishna	93	2014	8 th	12 th CBSE board Pune Topper, 10 th ICSE Board Pune Topper, BITSAT-Pune Topper, cleared 1 st & 2 nd round Astronomy Olympiad, cleared KVPY, cleared 1 st round Chemistry, Physics Olympiad, Whizzkid winner 2012
Shlok Pande	94	2021	8 th	Cleared 1 st round Chemistry & Physics, cleared KVPY
Tarun Verma	108	2015	10 th	Cleared KVPY
Atharva Kulkarni	128	2021	8 th	Cleared KVPY
Pranav Manerikar	145	2012	9 th	Cleared 1 st round Chemistry Olympiad, cleared KVPY, created national record in one handed Rubix cube
Shubhranil Chatterjee	157	2021	8 th	Cleared 2 nd round Physics Olympiad, Cleared 1 st round Astronomy, Chemistry & Math Olympiad, Cleared KVPY

Admission Process

Selection of students for the Foundation Basic course (from students who have completed the Pre Foundation Basic course) will be done based on the performance of the students in BTests that they have given in the Pre Foundation Basic course. A few students, whose performance in the BTests is not satisfactory, will not be permitted to take admission in the Foundation Basic course. They shall rather be advised to join the Pre Foundation Advanced course.

Whether a student is selected for this course or not will be informed to the student by **10 Jan 2022** via email.

Online Interaction with Students & Parents

In order to guide the students and parents about the Foundation Basic course and answer their queries, the following session is planned for them:

Date - 15th January 2022 (Saturday)

6:00 to 7:30pm - Math/ Logic revision lecture for students by Vaibhav Bakliwal Sir

Date - 16th January 2022 (Sunday)

11:00 am to 12:30 pm - Q & A session for parents & students about the Foundation Basic course

Start date of the course:

The Foundation Basic 2023 course will begin in the week of 16th to 22nd May, 2022 depending upon the scheduled days of the batches.

The details of all the batches that would be conducted is given below.

Types of Batches:

Getting the best students together is one of the attributes that is common across all the top rank producing institutes in the country. The concept of '**merit wise batches**' allows students to study with their peers of relatively similar preparedness. This maximizes the personal growth of students and even the teachers are able to plan their lectures well. This also creates a spirit of positive & healthy competition among the students.

Types of Batches: In Foundation course, there are 2 types of batches.

1. **Champions of Champions (COC)** - Students who perform exceptionally well in the entrance exam are selected for COC batch.

2. **Champions** - The next set of students who perform well get selected for the Champion batch.

Students who do not perform even up to a bare minimum level will be asked to repeat Pre Foundation Basic Course.

In Foundation course, after every 8 weeks, we conduct a BTest. Based on the performance in this BTest, batches will be re-allotted to students maintaining their location preferences.

Batch details of Foundation course

Course Name	Category	Center	Offline lecture	Online lecture
Foundation Basic Synergy	COC	Lloyds	Fridays (6 to 9 pm)	Mondays (6 to 9 pm)
		Lloyds	Sundays (7 to 10 am)	Wednesdays (6 to 9 pm)
		Aundh	Saturdays (6 to 9 pm)	Tuesdays (6 to 9 pm)
		FC road	Saturdays (6 to 9 pm)	Mondays (6 to 9 pm)
		PCMC	Thursdays (6 to 9 pm)	Tuesdays (6 to 9 pm)
Foundation Basic Synergy	Champion	Lloyds	Sundays (11 am to 2 pm)	Tuesdays (6 to 9 pm)
		Aundh	Sundays (11 am to 2 pm)	Tuesdays (6 to 9 pm)
		FC road	Sundays (7 to 10 am)	Mondays (6 to 9 pm)
		Viman Nagar	Sundays (3 to 6 pm)	Tuesdays (6 to 9 pm)
		Wanowrie	Fridays (6 to 9 pm)	Wednesdays (6 to 9 pm)
		Hadapsar	Saturdays (6 to 9 pm)	Wednesdays (6 to 9 pm)
		Satara road	Sundays (11 am to 2 pm)	Wednesdays (6 to 9 pm)
		PCMC	Fridays (6 to 9 pm)	Tuesdays (6 to 9 pm)
		Pimple Saudagar	Saturdays (6 to 9 pm)	Tuesdays (6 to 9 pm)
		Paud road	Saturdays (6 to 9 pm)	Mondays (6 to 9 pm)
		Sinhagadh road	Sundays (11 am to 2 pm)	Mondays (6 to 9 pm)

Course Name	Category	Online lecture 1	Online lecture 2
Foundation Basic Online	COC	Sundays (7 to 10 am)	Fridays (6 to 9 pm)
Foundation Basic Online	Champion	Sundays (7 to 10 am)	Fridays (6 to 9 pm)

Course Plan

Physics	Mathematics	Chemistry	Logic	Coding
Vectors and Kinematics	Number System, Ratios, LCM and HCF and other basic concepts in Mathematics	Basic Principles of Chemistry, Basics of Mole Concept	Syllogisms (Venn diagrams)	Introduction to coding in Python and variable types
BTest - 1				
B-Test discussion Uniform Accelerated Motion, Vector Subtraction & Graphs related to Motion	B-Test discussion Linear Equations in 2 Variables, Quadratic Equations	B-Test discussion Chemical Equations, Types of Chemical Reaction	Pigeon hole principle	Conditions (If...Then...)
BTest - 2				
B-Test discussion Newton's Laws of Motion, Friction	B-Test discussion Permutations and Combinations and Probability	B-Test discussion Balancing of Redox Reactions, Equivalent Weight and Normality	Cubes and Dice	Loops (For, while)
BTest - 3				
B-Test discussion Momentum and collisions	B-Test discussion Trigonometry, Arithmetic Progression	B-Test discussion Structure of Atom	Parity	Functions and Subroutines
BTest - 4				
B-Test discussion, Work power energy, Revision	B-Test discussion Geometric Progression, Co-ordinate Geometry, Revision	B-Test discussion Periodic Table Revision	Revision	Revision
BTest - 5				

In addition to these lectures, special lectures will be conducted for preparation of few important exams like Olympiads, NTSE, DHBBVS etc., as per the table below:

Exam Name	Tentative date of exam	Eligibility	Subjects	Number of lectures	Lecture Months	Mock Tests
PRMO	Mid-August	8th to 12th Standard	Mathematics	9	April to August	3
NSEJS (National Standard Examination in Junior Science)	End of November	Class 10 and lower	Science	6 Lectures for each of Physics, Chemistry and Biology for all these exams for NTSE additional 3 lectures for MAT and 2 for Mathematics	August to November	3 for each Exam
NTSE (National Talent Search Examination)	November First week	Class 10	Science, Maths and MAT			
Dr. Homi Bhabha Balvaidnyanik Competition (DHBBVC)	October First week	Class 9	Science			

Due to space constraints, based on your BTest performance during the course, top few students will be selected to attend these special lectures live. For the rest of the students, we shall share the recording of these lectures. However, if any student is highly interested, based on space availability, we will allow him/her to attend these lectures live.

There will be no separate charges for these special lectures.

Course Material & Online testing platform

BT provides its own course material and recommends a few books for additional study which the student needs to arrange. It also provides an online testing platform which is used to conduct various practice tests and online BTests (once every 8 weeks). This Online platform provides a detailed & personalised analysis of the student's performance like time spent to solve each question, subject wise comparison with toppers, topic wise strength & weaknesses etc. giving vital inputs for improvement in the examination technique.

Students opting for Completely offline or synergy format will be requested to collect the study material from their nearest BT center in Pune.

Students opting for completely online format will be get the study material via courier free of cost (within India). Overseas students will be expected to bear the courier charges.

Doubt clearing platforms:

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which student can use for the same:

1. Doubt Forum

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's forum is amongst the top results in Google search.

2. Telegram group

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

3. Doubt sessions

In addition to the regular lectures, separate doubt sessions are also conducted regularly (both online & offline) where students can interact with the teacher on a one-to-one basis and get their doubts cleared.

4. After the lecture

Teachers are available for doubt discussion after the lecture (both in online and offline lecture) for some time. Students can make use of this extra time to interact with teachers personally and get their doubts solved.

Fee Details

Rs 48,000/- (inclusive of all taxes to be paid on or before **23rd Jan 2022**)

- For meritorious students, we offer scholarships, details of which are given on next page.
- Fee once paid is not refundable.

ONLINE PAYMENT FOR ADMISSION

To pay online, you can visit www.bakliwaltutorialsiiit.com

- Select 'Fee Payment',
- Click on 'For Admission',
- Enter the required details of the student, contact details and follow instructions to effect the payment

Scholarships

Scholarships based on performance in govt. exams.

- Scholarship of Rs 35,000/- for students who have cleared even the Stage 1 of Government approved Olympiads conducted by HBCSE. (Math(RMO), Physics, Chemistry, Astronomy).

*Pre RMO cleared students will be eligible for a scholarship of Rs. 20,000.

- Scholarship of Rs 32,000/- for Junior Science Olympiad, first round cleared.
- Scholarship of Rs 20,000/-, 15,000/- & 12,000/- for students getting Gold Medal, Silver Medal & Bronze Medal respectively in Homi Bhabha Exam conducted by MSTA/ GBSTA.

Scholarships based on performance in private exams.

- Scholarship of Rs. 32,000/- for state rank holder students and Rs 15,000/- for students who have got district rank in MTS exam (conducted by Modern Education Society).
- Scholarship of Rs 32,000/-, for top 50 AIR & 20,000/- for 51 to 100 AIR (All India /International Ranks) in level 2 of NSO (National Science Olympiad) or IMO (International Mathematics Olympiad) or NCO (National Cyber Olympiad) conducted by SOF (Science Olympiad Foundation)

Scholarships based on performance in BTests in Foundation Basic Course.

- Scholarship of Rs 12,000/- will be awarded to students with rank in top 20, Rs 7,000/- to students with rank from 21 to 50 based on the performance in our first four BTests (aggregate).

Scholarships based on performances in BT exams during the Pre Foundation Basic course.

- Based on the performance in first 6 BTests in the Pre Foundation Basic Course (Best 4 Scores of the 6 Scores will be considered), a scholarship of Rs. 12000 will be awarded to top 10 students, a scholarship Rs. 8000 will be awarded to students with a rank from 11 to 20 and a scholarship Rs. 5000 will be awarded to students with a rank from 21 to 50.

Note:

- No student can avail more than one scholarship.
- Students who do not enroll within the mentioned time line (23rd January 2022) will not be entitled for any scholarship.
- All the above scholarships (except those based on performance in BT exams) are applicable for the achievements from the start of 4th std till the course admission date.
- If a particular scholarship is availed by the student in Pre Foundation Basic Course, it can not be availed again for the same performance in Foundation Basic Course.

Sinhagad Road: Yashda Coaching Classes, 2nd Floor, Akshay Business Square, Sr.No.- 144/3/2, Near Yashwant Vihar, Garmal ,Dhayari Road, Pune - 411041

FAQs For Foundation Basic Course

Q1. How is the admission to the COC batch decided?

Ans. To begin with the admission to the 'COC' batch at BT is decided on the basis of your performance in Pre Foundation Basic Course. But after every BTest, there is shuffling and the fresh set of toppers are selected to attend lectures in the 'COC' batch.

Q2. What after the completion of Basic Foundation course?

Ans. After successful completion of the Foundation (Basic) course, the selected students based on merit are given admission for the Foundation Advanced course. Foundation Advanced Course is not offered at all centers.

Q3. What about students who do not qualify for the Foundation Advanced course?

Ans. We strongly recommended that they should repeat the Foundation Basic course and strengthen their fundamentals. For students who narrowly miss selection to Foundation Advanced we organize a 7 days camp. An exam is conducted on the last day of the camp to select few more students.

Q4. What after the Foundation Advanced course?

Ans. The students going to 11th std. then, should join our 2 year comprehensive course. For the students going to 10th std then, they are advised to join our 7 month course - Foundation Advanced plus. This course keeps them in sync with JEE preparation and make them ready for the 2 yr Comprehensive course from the next year.

Q5. We have heard that BT encourages few outstanding students from 9th/10th std to attend 1 subject out of P/C/M with 11th std students. Is that true?

Ans. Yes, this course is called the 'Special Comprehensive course'. Many top rankers from BT have benefited from this concept. For example, Vedang Asgaonkar (JEE Adv 2202 - AIR 7), Omkar Thakoor (JEE Adv 2010 - AIR 11) & Kalpesh Krishna (JEE Adv 2014 - AIR 93) had done 11th std physics when they were in 9th/10th std. Kalpesh Krishna had done 11th std physics when he was in 10th std. All of them not just scored very well in JEE Physics but also cleared Physics Olympiad round 1. Vedang & Omkar also cleared round 2. Top students of the Foundation Basic course (based on their performance in BTests) are offered this special program next year after the Foundation Basic course is completed.
