

# BAKLIWAL TUTORIALS

(Where Best students meet Best Teachers)

## Leaflet for Foundation Advanced Plus Course

(7.5 Months course after completing Foundation Advanced)

(Course will begin during the week starting from May 4th, 2026)

Available in Synergy [Offline + Online] & Completely Online formats

***[ This leaflet is meant for internal BT students who are currently in 9th standard & pursuing the Foundation Advanced course ]***

At Bakliwal Tutorials (BT), for the last 20 years, we have served thousands of impressionable students who have turned into rational, ethical, and influential beings, contributing to a better society. Throughout this journey, students and parents have graciously bestowed immense affection and support upon us. As we have completed our 20 years this year, we feel humbled and grateful. We pledge to continue innovating and providing top-quality services to our students.

Year after year, BT consistently produces the highest number of JEE ranks (Top 1000/ 2000/ 5000/ 10000/ Overall) in Pune, with one of the best success ratios nationally. Known for our ethics and transparency, we are the only institute in the country that publishes the contact details of all our JEE Advanced qualified classroom students along with their other achievements. We encourage parents to make informed decisions by objectively comparing results on institute websites, rather than relying on marketing claims.

## Director's Desk

### Hearty Welcome!

We appreciate your sincerity and determination to clear the important examination ahead of you. Your decision to consider Bakliwal Tutorials to be your trainer bears ample testimony to your resolve.

Every smart individual realizes the importance of an expert help at the right juncture. Behind every Edmund Hillary triumphantly waving a flag at the pinnacle lies months of toil under the watchful eyes of a committed trainer. For the past 20 years, we at BT have been the trainers for many such successful students. So, do we have some magic formula that will open the gate of a favorite institute for you? No, we do not.

There is no substitute for all the hard work that you alone must put in. What we do have is the knowledge, expertise and the right classroom culture. Our knowledge will tell you how to channelize your efforts and how to focus your attention so that you are able to achieve maximum in minimum time. Our expertise will take you through so many simulations that when you face the real test you will have confidence of being on familiar ground. Our classroom culture will help you stay positive and motivated throughout.

We have a simple definition of our success: **When you succeed, we succeed.**

Once again welcome to the BT family, welcome to success!

Sincerely,

Vaibhav Bakliwal

Mr. Vaibhav Bakliwal did his B.Tech in Mechanical Engineering from IIT Bombay after which he worked with TATA motors for a year. But his penchant for teaching made him build Bakliwal Tutorials (BT) in April 2005. BT began with the aim to help students preparing for JEE, realize their dreams; and to make sure that the preparation process itself becomes a fun-filled and growth-involving experience.

The institute is successfully doing so and is now training more than 6000 students studying in different courses at its various centers. BT is a leading institute for JEE and has produced many Maharashtra Toppers and single digit All India Ranks.

Apart from his love for studies and students, he also loves music, solving puzzles and playing chess. He has been Rajasthan Under-15 & Under-18 Chess Champion and has played in many National level championships. He was also class representative for his batch, General Secretary for the Mechanical Department and board games secretary for the institute at IIT Bombay.

Vaibhav sir very deservedly is also the Vice President (Academics) of the Coaching Federation of India (CFI). He has truly been an inspiration to thousands of students aspiring for the coveted IITs.

Committed to create ethical, rational & powerful human beings who will bring a positive difference to the society.

## Upholding 20 Years of Legacy

- We have affectionately served many **tens of thousands** of impressionable students who have turned into **rational, ethical, and influential beings, contributing** to a better society.
- The way we focus on **concepts & logic** rather than **rote learning**, our students experience the joy of learning which stays with them through **college and beyond**.
- Most BT alumni are **excelling at IITs & in their careers**. For example, recently, at **IIT Bombay**, our student **Vedang Asgaonkar** was conferred the prestigious **President Gold medal** for being the overall batch topper across all departments.
- At BT, we celebrate **Logic** and we have been the **pioneers** of the **Foundation course** in Pune, which we introduced in **2006**, setting a trend in **early preparation**.
- We have had **single digit ranks in JEE seven times**. No other institute in Pune has ever produced a single digit rank in **JEE Advanced**. Apart from the top ranks, the total number of students from BT that go into **top colleges is unparalleled**.
- Most national players are **financially struggling** & have expanded uncontrollably through franchisees. We are a **strong & stable organisation** with no franchisees and our commitment towards students is **unmatched**.
- We attract the best of the teachers from across the country due to our **ethical work culture and rewarding remunerations**.
- As we complete our **20 years**, we feel **humbled and grateful**. We pledge to continue **innovating** and providing **top-quality services** to our students.

## Various exam details

### Few prominent Government approved competitive exams for Foundation Advance Plus students

Exam	Eligibility criteria	Syllabus	Difficulty level	Tentative month (for filling form)
<b>IOQM</b>	For students of 8th - 12th standard	Mathematics syllabus upto 10th std. (All Boards)	Difficult	June
<b>NSEJS</b>	For students of 9th & 10th standard (based upon age limit)	Science syllabus upto 10th std. (All Boards)	Difficult	August
<b>SEHSS</b>	For 10th standard students only	Science & Maths syllabus upto 10th std. (All Boards)	Difficult	August
<b>NSEA (Group B)</b>	For students of 10th standard	Physics, Mathematics & elementary Astronomy syllabus upto 10th std. (All Boards)	Difficult	August

During the Foundation Advance Plus course, we conduct special lectures to prepare students for the above exams as well. With improved thinking abilities & strong fundamentals, students are able to do well in various competitive exams later.

### Few popular Engineering entrance exams

Exam name	Syllabus	Difficulty level	Affiliated colleges
<b>JEE Advanced</b>	Similar to PCM of 11th & 12th std. (All Boards)	Difficult	Various IITs (Indian Institute of Technology) IIST (Indian Institute of Space Science & Technology) IISc. (Indian Institute of Science)
<b>JEE Main</b>	Similar to PCM of 11th & 12th std. (All Boards)	Moderate	Various NITs (National Institute of Technology) IIITs (Indian Institute of Information Technology) GFTIs (Govt Funded Technical Institutes) Few prominent private colleges & 15% in most Maharashtra engg. colleges
<b>BITSAT</b>	Similar to PCM of 11th & 12th std (All boards)	Moderate/ Easy	Various BITS (Birla Institute of Technology & Science) located at Pilani, Goa & Hyderabad
<b>MHT-CET</b>	PCM of 11th & 12th std. (HSC Board)	Easy	COE Pune, VJTI Mumbai, PICT Pune & other Engg. colleges of Maharashtra

- **IISER - IAT** (Berhampur, Bhopal, Kolkata, Mohali, Pune, Thiruvananthapuram, and Tirupati); **NISER - NEST** (Bhubaneswar); **ISI** (Kolkata & Bangalore) & **CMI** (Chennai) conduct their separate exam for research courses.
- A few other private institutes like VIT (Vellore), MIT (Manipal), SRM etc. conduct their own entrance exam.
- All of these exams (except JEE Main Session I) are conducted after the 12th board exams.

***A strong foundation in Physics, Chemistry, and Mathematics built during JEE preparation at BT prepares you well for all the above competitive exams.***

# About Foundation Advanced Plus Course

## BT Course Flowchart

(In terms of class/standard as on January 2026)

## Course details

Foundation Advanced Plus course is offered to students who successfully complete Foundation Basic & Advanced course at BT. This course is applicable for student who are currently in 9th standard and pursuing the Foundation Advanced course. Foundation Advanced Plus course helps students gain depth on the concepts of Physics, Chemistry, Maths, Logic & Coding which they have learnt during the Basic & Advanced course. Topics which are relevant for their 10th boards syllabus are also included in the Foundation Advanced Plus course. Therefore, this course not only further develops their confidence but also helps them in their preparation for their 10th board exams.

**2 lectures per week** shall be offered in this course. Each lecture shall be of 3 hours 30 mins duration, with a 15 mins break in between. In addition to these 2 lectures per week, a few special lectures will also be conducted for **preparation of important exams like NSEJS/SEHSS and IOQM etc.**

Like in the Foundation Advanced course, Biology subject is an option in the Foundation Advanced Plus course as well. Students can choose Biology as the 6th subject if they wish. Topics covered in Biology will also help them for their 10th boards preparation for Biology. Students opting for Biology shall have an additional 2 lectures per month.

The following tests are also conducted during the Foundation Advanced Plus course:

- **Lecture-Wise Practice Tests:** After every lecture, students attempt a 30-minute online test to assess their understanding of the concepts taught.
- **Pre-BTest Practice Exam:** A full 3-hour practice test is held a few days before each BTest to strengthen exam readiness.
- **BTest Every 8 Weeks:** A comprehensive 3-hour BTest is conducted every 8 weeks; performance in this test determines batch shuffling and progression to the next course.

## Course formats

### Foundation Advanced Plus course formats:

The Foundation Advanced Plus course is offered in 2 formats:

1. Foundation Advanced Plus Synergy (Offline + Online)
2. Foundation Advanced Plus Online (Completely online)

### 1. Foundation Advanced Plus Synergy:

In this format, every week, 1 lecture shall be conducted in classroom coaching mode at our various centers and 1 lecture shall be conducted in online mode. Online lectures are live lectures as per the batch timing, which the students can attend from the comfort of their homes. For classroom lectures, student can choose a center of his/her choice (out of the options available in this format in his merit-wise category).

### 2. Foundation Advanced Plus Online:

In this format, students shall attend both the weekly lectures in online mode. At BT, the online lectures are live and also lively where students participate via chat and by un-muting themselves responsibly.

***If students wish, they will be allowed to shift from one format to another at any time during the course, based on seat availability.***

## Course material & online testing platform

BT provides its own course material and recommends a few books for additional study which the student needs to arrange. It also provides an online testing platform which is used to conduct various practice tests and online BTests. This Online platform provides a detailed & personalised analysis of the student's performance like time spent to solve each question, subject wise comparison with toppers, topic wise strength & weaknesses etc. giving vital inputs for improvement in the examination technique.

Students (residing in Pune) opting for completely online or synergy format will be requested to collect the study material from their nearest BT center in Pune. Students (residing outside Pune) opting for a completely online format will get the study material via courier free of cost (within India). Overseas students will be expected to bear the courier charges.

## Doubt clearing platforms

Apart from doubts discussed during the lecture, there will be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

### 1. **Doubts during breaks or after each lecture:**

Students can utilize break time (15 mins) or the period after lecture (15 mins) to engage with teachers individually and clarify their doubts.

### 2. **Availability of teachers for doubts at centers for entire day:**

At all centers, teachers dedicated for doubts are available throughout the day where students can discuss their doubts personally with them on a one-to-one basis.

### 3. **Online doubt sessions:**

In addition to the regular weekly lectures, we shall also conduct online doubt sessions daily. These doubt sessions are optional and students can join them from their home for a one to one interaction with the teacher for doubts.

### 4. **Doubt Forum:**

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's doubt forum is amongst the top results in Google search.

### 5. **Telegram Group:**

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

## About Foundation Advanced Plus Course

### Online Interaction with students & parents

In order to guide the students and parents about the Foundation Advanced Plus course and answer their queries, the following session is planned for them:

**Date : 16th January 2026 (Friday)**

**6:00 to 7:30 pm:** Logic revision lecture for students by Vaibhav Bakliwal Sir

**7:45 to 9:00 pm:** Q & A session for parents & students about the Foundation Advanced Plus course

### Admission Process

Admission to the Foundation Advanced Plus course will be based on the student's performance in the 4 BTests conducted during the Foundation Advanced course till date. The following weights will be assigned to each BTest performance:

- BTest 1** - 25% weightage
- BTest 2** - 25% weightage
- BTest 3** - 25% weightage
- BTest 4** - 25% weightage

In case you were absent for any of these tests, the score for the absent test will be assumed to be the minimum score amongst all the tests for which you were present.

Note that a separate list of students who gave the BTests online and offline will be compiled and the available seats (and scholarships and batches as well) will be split amongst offline and online students in proportion to their total numbers.

Based on merit, only selected Foundation Advanced students will be offered this course. To start with, a few top students will be offered the COC batches and next few sets of students will be offered Champion batches.

The students will be informed about their selection for this course, on **19th January 2026 (Monday)** via email. These students need to complete the admission formalities for the Foundation Advanced Plus course latest by **26th January, 2026 (Monday)**. After 26th January, a few waitlisted students may be offered the admission depending upon the seats availability.

For students who do not qualify for Foundation Advanced Plus course, we strongly recommend that they repeat the Foundation Advanced course and strengthen their fundamentals.

## About Foundation Advanced Plus Course

### Start date of the course

The Foundation Advanced Plus course will begin during the week starting from **May 4th, 2026 (Monday)**.

However, there will be a '**Refresher Program**' in the month of April 2026, the details of which are given below.

### Details about the Refresher Program

In this Refresher Program, we shall conduct a quick revision of the Foundation Advanced course for the Physics, Chemistry, and Mathematics subjects.

Following are the details of the Refresher Program:

Date : **6th April to 26th April 2026**  
Time : 5:30 to 9:00 PM  
Lectures Days : Mon, Wed, Fri  
Lecture Frequency : 3 lectures per week  
Lecture Mode : Online

The Refresher Program will be followed by a 3-hour test (Refresher BTest) on **Sunday, 26th April 2026**. This test shall be conducted in **offline mode** (for students who want synergy batches) and **online mode** (for students who want completely online batches).

The Refresher Program and Refresher BTest are important as they will carry 20% weightage in the first batch reallocation process for the Foundation Advanced Plus course. For this batch reallocation process, 80% weightage will be given to BTest-1 scheduled on **Sunday, 28th June 2026** and 20% weightage to the Refresher BTest scheduled on **Sunday, 26th April 2026**.

### Course structure (Foundation Advanced Plus batch)

Every 8 weeks, there will be 4 Physics, 4 Chemistry, 4 Maths, 1 Logic, 1 or 2 Coding (alternately) & 4 Biology lectures (optional) each of 3 hours 30 mins duration and 1 BTest of 3 hrs. In addition, separate doubt sessions are also conducted regularly (both online and offline) where a student gets an opportunity to get his/her doubts solved on a one to one basis.

## About Foundation Advanced Plus Course

### Special support lectures for Olympiad preparation

In addition to the regular lectures, special lectures will be conducted for preparation of few important exams like Mathematics Olympiad (IOQM) & Junior Science Olympiad (NSEJS) etc., as per the table below:

Exam Name	Tentative Exam Date	Eligibility	Subjects	Number of lectures	Lecture Months	Mock Tests
IOQM (Indian Olympiad Qualifier in Mathematics)	First Week of September	8th to 10th Standard	Mathematics	13 - 14	April to August	3
NSEJS (National Standard Examination in Junior Science)	Fourth Sunday of November	Class 10 and lower	Science	6 Lectures for each of Physics, Chemistry and Biology for all these exams	August to November	3

Due to space constraints, based on the BTest performance during the course, top few students will be selected to attend these special lectures live. For the rest of the students, we shall share the recording of these lectures. However, if any student is highly interested, based on space availability, we will allow him/her to attend these lectures live.

There will be no separate charges for these special lectures.

## Biology as an optional subject in the Foundation Advanced Plus course

Opting for Biology shall be optional for students. Students who are currently unclear in general which field to choose after 10th standard, can keep their options open by opting for Biology along with the other subjects (Physics, Chemistry, Maths, Logic & Coding) in the Foundation Advanced course. Students in 10th standard shall also be benefited with the Biology subject for their boards preparation.

### Biology Course Plan

• Respiration in plants
• Transportation
• Circulation
• Excretion
• A Plant and Animal Hormone
• Nervous System
• Genetics
• Reproduction
• Human Evolution

### Fee for Biology:

An additional fee of Rs 10,000/- shall be charged for students opting for Biology in the Foundation Advanced Plus course.

### Scholarships

#### Scholarships based on performance in BTests of Foundation Advanced Course

These scholarships are awarded based on the student's performance in the 4 BTests conducted during the Foundation Advanced course till date. The following weights will be assigned to each BTest performance:

- ❑ **BTest 1** - 25% weightage
- ❑ **BTest 2** - 25% weightage
- ❑ **BTest 3** - 25% weightage
- ❑ **BTest 4** - 25% weightage

In case you were absent for any of these tests, the score for the absent test will be assumed to be the minimum score amongst all the tests for which you were present.

Rs. 18,000	For students with a rank in top 10
Rs. 15,000	For students with a rank from 11 to 20
Rs. 10,000	For students with a rank from 21 to 50
Rs. 7,000	For students with a rank from 51 to 100
Rs. 5,000	For students with a rank from 101 to 200

1. Scholarship less than Rs. 5,000 shall be offered to a few more students based on merit.
2. Note that the top ranks mentioned above include students attending the course in offline as well as online mode. Students in each category will consist of students from both these formats in ratio of the students attending the course in online or offline format. For eg: the top 10 students getting Rs. 18,000 scholarship shall include a few offline and a few online students in ratio of the students attending the Foundation Advanced course in online or offline format.

#### Scholarships based on performance in Government approved Olympiads

Rs. 28,000	For students who have cleared Stage 1 of Olympiads ( <b>NSEP, NSEC, NSEA &amp; NSEJS</b> )
Rs. 28,000	For students who have cleared <b>RMO</b> - Stage 2 of International Maths Olympiad ( <b>IMO</b> ) & received admit card for <b>INMO</b> .
Rs. 21,000	For students who have cleared <b>IOQM</b> - Stage 1 of International Maths Olympiad ( <b>IMO</b> ) & received admit card for <b>RMO</b> .

## FAQs For Foundation Advanced Plus Course

**Q1. What is the duration of Foundation Advanced Plus Course? When does it begin and end?**

**Ans.** Foundation Advanced Plus is a 7.5-month course which will begin during the week starting from May 4th, 2026 & shall end by mid - Dec 2026. However, there will be a '**Refresher Program**' in the month of April 2026.

**Q2. What about students who do not qualify for the Foundation Advanced Plus course?**

**Ans.** For students who do not qualify for Foundation Advanced Plus course, we strongly recommend that they repeat the Foundation Advanced course and strengthen their fundamentals. Fee for students who repeat the Foundation Advanced course is **Rs. 31,000/**.

**Q3. What after the completion of Foundation Advanced Plus course?**

**Ans.** After successful completion of the Foundation Advanced Plus course, students are eligible to join our 2-year Comprehensive course, for which a separate entrance exam shall be conducted.

**Q4. Would Foundation Advanced Plus course overburden the student as he has to prepare for his 10th standard board exam also this year?**

**Ans.** Objective of this course is to keep the student in sync with the JEE preparation and ensure their steady progress for the same. Hence, any break in between is not desirable. We have kept the duration of this course short (only 7.5 months) and would be ending this course in mid - Dec itself so that the student gets free early for his board exam preparation. Hence, this course in no way would overburden the student. On the contrary, most topics from this course shall only help students for their 10th boards preparation.

**Q5. We have heard that BT encourages a few outstanding students from 9th/10th std to attend 1 subject out of P/C/M with 11th standard students. Is that true?**

**Ans.** Yes, this course is called the 'Special Comprehensive course'. Many top rankers from BT have benefitted from this concept. For example, Vedang Asgaonkar (JEE Adv. 2020, AIR 7), Omkar Thakoor (IIT JEE 2010, AIR 11), AIR 39), Soham Joshi (JEE Adv. 2021, AIR 46), Vedant Talegaonkar (JEE Adv. 2022, AIR 89), Kalpesh Krishna (JEE Adv 2014, AIR 93), Shlok Pande (JEE Adv. 2021, AIR 94), Shubhranil Chatterjee (JEE Adv. 2021, AIR 157), Sahil Agrawal (IIT JEE 2010, AIR 176), T. Akshay (JEE Adv 2016, AIR 182) & Arnhav Datar (JEE Adv. 2018, AIR 200) are few toppers who had benefitted from this concept. In fact, all of them except Vedant Talegaonkar cleared Physics Olympiad 1st round as well, with Soham, Vedang, Omkar, Sahil, Arnhav & T.Akshay cleared 2nd round also. Vedang scored a perfect 100 percentile in Physics in JEE Main 2020. Vedang Asgaonkar, Kalpesh Krishna, T. Akshay & Arnhav Datar are toppers at their respective IITs as well.

# What makes BT different?

## 1. Unparalleled Genuine Results: Power of BT!

Unlike most institutes which do not even publish their result on their websites and thrive on fake results, we believe in absolute transparency. All the ranks mentioned by us belong to the general category unless otherwise specified clearly. All the results correspond to our classroom students. We have also given contact details of all our IIT-JEE/JEE Advanced qualified students till date, on our website, in the results section. We are yet to come across an institute in entire India which has the honesty, courage & confidence of declaring their results, consistently year after year, in such a transparent manner.

## 2. Offline & Online tests with detailed analysis

Offline and Online Tests at BT (called BTests) are thought provoking and bear close resemblance to the actual JEE paper. We analyse the tests from a student's perspective providing detailed and in-depth analytics on time management and test taking strategy. The analytics for the Online test are available immediately after test submission. The analytics of the Offline test are emailed in a couple of days.

Some of the parameters on which students' performance is analysed are mentioned below:

- **Subject Analysis:** Students get to know their performance in each subject along with time spent per subject per question.
- **SWOT Analysis:** Students can clearly see the topics in which they are strong or weak and then can easily decide the time to be spent on each topic going forward.
- **Analysis as per question type:** Questions in each test are tagged as per various types (single option correct, multiple options correct, integer type etc.) and students get to know how they fared under each type giving them an understanding of where they need to improve.
- **Attempt Analysis:** A unique analysis of questions attempted by the students' according to their difficulty level is provided to the students' to give an understanding of whether the easier questions were attempted earlier than the difficult questions or not.

## 3. Merit wise batches

Merit based batches is one of the attributes that is common across all the successful JEE institutes across the country. It is a proven fact that when students study with peers of relatively same intelligence level, they are able to learn more and even the teachers are able to plan their lectures well. This also creates a spirit of positive & healthy competition among the students.

## 4. Focus on Boards & MHT-CET as well

We at BT teach the basic concepts so well that the student understands the subject to the core and then it is just a matter of a little bit of tuning according to the different exams. We ensure that the students get thoroughly prepared for the board exams & other popular exams like MHT-CET, BITSAT, Olympiads etc as well. After the syllabus is completed in 12th std (sometime in October), we conduct special lectures for Boards/BITSAT/MHT-CET preparation. In such lectures, students are trained as per the different pattern of these exams and mock tests of all these exams are also conducted. Students at BT have been doing exceptionally well in Boards, BITSAT, MHT-CET & other exams (details of the same have been updated on the website link: [https://www.bakliwaltutorialsiiit.com/result\\_other\\_exam/](https://www.bakliwaltutorialsiiit.com/result_other_exam/)).

## What makes BT different?

### 5. Well Equipped Classrooms, Study Room & Library Facility

BT offers state of the art infrastructure at each of their centre with spacious, AC ventilated classrooms having Digital Boards. In addition to the classrooms, separate study rooms are maintained which are dedicated for students for their self study. Students can also make use of the various reference books available in the library.

### 6. Counseling Session after JEE Advanced Result

A detailed counseling session is conducted for all the students after their JEE and other exam results are declared. In this session, along with the teachers, senior students from BT, who have joined various IITs and other top colleges like NIT's, BITS etc. participate and guide the passing out batch on the right options to choose as per their merit and interest.

### 7. Student Mentorship Program

Each and every student at BT is assigned a personal Mentor. These mentors are young trainee teachers at BT, who have recently passed out from top colleges like IIT/NIT etc. Mentor keeps meeting the student at regular intervals, discusses student's academic activities in detail including the daily study routine. The mentor also keeps a check of the progress of the student and connects with the parent to discuss the same. Basically, the mentor plays the role of an elder brother/sister to the student and guides the student academically and non academically in this journey empathetically.

### 8. BT Culture

Out of the box events like Whizz-kid (Puzzle Competition), Felicitation Function in which meritorious students are awarded with Cash Prizes, Staff birthday celebrations, Picnic with 12th passing out students along with the faculty, Seminars, Counselling Session after JEE Advanced result etc truly make BT different.

### 9. Interaction with parents on child's progress

We ensure that we stay connected with parents through various ways and keep them in loop with respect to their child's progress during the preparation. Parents are also sent absenteeism SMS on daily basis and test results with detailed analysis after every test. We also conduct a seminar on effective parenting where we share our views on how parents can contribute in child's studies. PTM is occasionally conducted where one to one feedback is provided to them etc. Parents can also meet teachers occasionally after the lectures. Thus, parents are kept totally involved during the entire journey so that we work together for the intellectual growth of the child.

### 10. Insightful Seminars

In addition to the regular lectures, special seminars on various topics are conducted at regular intervals to guide the student on mental and other aspects which are important for JEE preparation along with the academics part. Special seminars/interaction sessions are also conducted with parents where we discuss with them as to what can be their role on their child's preparation. This ensures that students are highly motivated and aware about all the important aspects during their JEE preparation journey.

## Akshat Chugh

JEE Adv 2017 AIR 2 - Maharashtra Topper

All those hours spent in class studying, discussing and laughing cannot be forgotten. I have no doubt that I would not be able to get even a triple digit rank without BT. The teachers here are truly amazing. They know exactly what works and exactly when to push students. I had never seen such passionate teachers before joining BT.

*Akshat Chugh*  
(AIR-2)

## Vedang Asgaonkar

JEE Adv 2020 AIR 7 - Maharashtra Topper

Vaibhav Bakliwal sir is the most passionate and enthusiastic visionary I have met. His mentoring and ~~mentat~~ preparation strategy helped me remain calm and composed during my preparation and exam.

The teachers in BT are very dynamic and guide students in all aspects of preparation.

I wish to express my gratitude towards the entire BT team

"Lucky To Be A BTian"

- Vedang Asgaonkar

## Pratik Sahoo

JEE Adv 2022 AIR 7 - Maharashtra Topper

What I will remember the most about BT is the culture. The breezy lectures that helped us study without pressure, the friendly and close teachers who were also our mentors, the close-knit social circle of the students; all of these are what make BT special. I will always remember these crucial, yet enjoyable years.

*Pratik S*

## Omkar Thakoor

IIT JEE 2010 AIR 11 - Maharashtra Topper

I am very grateful to my teachers at BT-Vaibhav sir, C.M. Sir. They have taught us so well, I wonder if I will ever get better teachers, even @ IITB! Now, it has been a long association of 4 yrs, that I have been at BT and memories of this bond will help me get going through rough and tough patches of life.

## Karthik Mahesh

JEE Adv 2015 AIR 22 - Maharashtra Topper

Especially Vaibhav sir, whose mental preparation techniques gave me confidence that I really could crack IIT. He also taught me how to learn physics, and how to really dive into a topic. If I got a chance to do this again, I surely would, and would strive to do my best, as was the most important lesson given by BT to me.

*Karthik Mahesh*

## Kashvi Khurana

JEE Adv 2024 AIR 39 - Maharashtra Girls Topper

My journey here at BT was a very memorable and fantastic road. I found a friend group with the same fun, and we would resonate so well and helped each other grow and learn. The teachers here were absolutely wonderful, with deep conceptual knowledge and an incredible eagerness to help the students with doubts.

## Soham Joshi

JEE Adv 2021 AIR 46 - Pune Topper

I joined BT in 8<sup>th</sup> grade for the foundation course which helped me appreciate logical reasoning and I pursued the spld comp course in physics for 2-years (9<sup>th</sup>, 10<sup>th</sup>) which helped me appreciate the power of fundamental thinking. In all these courses all the teachers I have encountered & all my peers have been very friendly and willing to discuss anything freely, all thanks to this wonderful culture of BT.

## Rohan Prinja

IIT JEE 2011 AIR 53 - Pune Topper

I have no idea what might have happened on 10<sup>th</sup> April 2011, had I never joined BT. Maybe I wouldn't have qualified at all... maybe I would have narrowly qualified with a rank in the 9000s. It's impossible to predict. But one thing is of sure - These two years spent preparing for JEE would surely not have been as much fun!

These two years in BT were, quite simply, AWESOME. I studied the hardest I had ever in my life, and I also did the most to enjoy myself these two years. And if I could turn back time, I'd do it again, no doubt.

## Toppers Speak

I have studied at Bakliwal Tutorials-IIT for 4 years starting at my XI standard. What a journey it has been! All the BT teachers are amazing who take infinite pains teaching us all there is to know and guiding us in understanding the various concepts. They have been with us at all decisive moments during last 2 years. They never hesitated to help us.

**Abhro Bhuniya**      **JEE Advanced 2016 AIR 54 - Pune Topper**

"The quality of assignments provided by teachers always kept my mind sharp and their patient doubt clearing helped in strengthening my concepts. BT is one of the rare institutes where topics are not spoonfed but instead stepping stones are provided by the teachers."

**Naman Agarwal**      **JEE Advanced 2021 AIR 81**

My main phase of preparation was the Comprehensive Course in 11<sup>th</sup> & 12<sup>th</sup>. These 2 years have been the most fruitful & memorable years of my life, and not only did I study PCM in great depth, but I also transformed as a person. In my opinion, JEE is not only a test of PCM skills, but also of perseverance, dedication and presence of mind.

**Vedant Talegaonkar**      **JEE Advanced 2022 AIR 89 - Pune Rank 2**

I got an AIR of 5883 in my 1st attempt. I knew I had not worked as hard in my 11<sup>th</sup> and 12<sup>th</sup> and hence hadn't performed to the best of my potential. This is when I was wisely advised by VB sir to give it another shot and join the juniors batch at BT.

**Kevin Daniel**      **IIT JEE 2012 AIR 92 - Pune Topper**

I had joined BT way back in class 8, as a little boy... Perhaps the best way would be to expand "BT" differently. Thank You BT for, 'Brilliant' Teachers, 'Beautiful' Team, and most importantly, 'B'lessful 'Times!!!' 😊

**Kalpesh Krishna**      **JEE Advanced 2014 AIR 93 - Pune Topper**

Joining BT has been an amazing journey. The teachers, study materials and support helped me grow and stay focused. I learned how to work hard and stay strong during tough times. BT made my dream possible and I'm really thankful for everything it has given me.

**Parth Shettiwari**      **JEE Advanced 2017 AIR 170**

My journey with BT has truly changed my life forever and helped me to pull out my strength. BT has the power to turn you into something better than you were before, that's for sure.

Thank You BT!!

Aditya Sai V.  
[AIR 232, Adv. 2024]

**Aditya Sai Vempalala**      **JEE Advanced 2024 AIR 232**

BT is about more than just PCM or an exam. It is about falling in love with these subjects, it is about thinking logically, and most of all it is about the habits and values needed to live a full life.

**Punit Chaudhari**      **JEE Advanced 2024 AIR 376**

The teachers at BT were always enthusiastic to teach which made me excited to learn. The type of healthy competition I faced at BT couldn't be recreated anywhere else. I am thankful to both my teacher and peers for this experience and also my success.

If given the opportunity, I would do it all over again.

**Abhinav Sharda**      **JEE Advanced 2024 AIR 338**

I joined BT in 9<sup>th</sup> grade and it has been a wonderful journey. I want to thank all the teachers, the staff and my peers for their constant support. The environment at BT helps promote healthy competition among students. The teachers are very approachable and open to doubt solving 24-7. The systematic tests (and their analysis) helped me in highlighting my weaknesses. Choosing BT has been the right choice.
