(Where Best students meet Best Teachers)

## Leaflet for Pre-Foundation Advanced Course

(7.5 months course after completing Pre Foundation Basic)

(Course will begin from Saturday, 6th June 2026)

Available in Completely Online format

**[ This leaflet is meant for internal BT students who are currently in 6th standard and pursuing the Pre Foundation Basic course ]**

At Bakliwal Tutorials (BT), for the last 20 years, we have served thousands of impressionable students who have turned into rational, ethical, and influential beings, contributing to a better society. Throughout this journey, students and parents have graciously bestowed immense affection and support upon us. As we have completed our 20 years this year, we feel humbled and grateful. We pledge to continue innovating and providing top-quality services to our students. Year after year, BT consistently produces the highest number of JEE ranks (Top 1000/ 2000/ 5000/ 10000/ Overall) in Pune, with one of the best success ratios nationally. Known for our ethics and transparency, we are the only institute in the country that publishes the contact details of all our JEE Advanced qualified classroom students along with their other achievements. We encourage parents to make informed decisions by objectively comparing results on institute websites, rather than relying on marketing claims.

## Director's Desk

### Hearty Welcome!

We appreciate your sincerity and determination to clear the important examination ahead of you. Your decision to consider Bakliwal Tutorials to be your trainer bears ample testimony to your resolve.

Every smart individual realizes the importance of an expert help at the right juncture. Behind every Edmund Hillary triumphantly waving a flag at the pinnacle lies months of toil under the watchful eyes of a committed trainer. For the past 20 years, we at BT have been the trainers for many such successful students. So, do we have some magic formula that will open the gate of a favorite institute for you? No, we do not.

There is no substitute for all the hard work that you alone must put in. What we do have is the knowledge, expertise and the right classroom culture. Our knowledge will tell you how to channelize your efforts and how to focus your attention so that you are able to achieve maximum in minimum time. Our expertise will take you through so many simulations that when you face the real test you will have confidence of being on familiar ground. Our classroom culture will help you stay positive and motivated throughout.

We have a simple definition of our success: When you succeed, we succeed.  
Once again welcome to the BT family, welcome to success!

Sincerely,  
Vaibhav Bakliwal

Mr. Vaibhav Bakliwal did his B.Tech in Mechanical Engineering from IIT Bombay after which he worked with TATA motors for a year. But his penchant for teaching made him build Bakliwal Tutorials (BT) in April 2005. BT began with the aim to help students preparing for JEE, realize their dreams; and to make sure that the preparation process itself becomes a fun-filled and growth-involving experience.

The institute is successfully doing so and is now training more than 6000 students studying in different courses at its various centers. BT is a leading institute for JEE and has produced many Maharashtra Toppers and single digit All India Ranks.

Apart from his love for studies and students, he also loves music, solving puzzles and playing chess. He has been Rajasthan Under-16 & Under-18 Chess champion and has played in many National level championships.

He was also class representative for his batch, General Secretary for the Mechanical Department and board games secretary for the institute at IIT Bombay.

Vaibhav Sir very deservedly is also the Vice President (Academics) of the Coaching Federation of India (CFI).

He has truly been an inspiration to thousands of students aspiring for the coveted IITs.

**Committed to create ethical, rational & powerful human beings who will bring a positive difference to the society.**

## Upholding 20 Years of Legacy

- ➔ We have affectionately served many **tens of thousands** of impressionable students who have turned into **rational, ethical, and influential beings, contributing to a better society.**
- ➔ The way we focus on **concepts & logic** rather than **rote learning**, our students experience the joy of learning which stays with them through **college and beyond.**
- ➔ Most BT alumni are **excelling at IITs** & in their careers. For example, recently, at **IIT Bombay**, our student **Vedang Asgaonkar** was conferred the prestigious **President Gold medal** for being the overall batch topper across all departments.
- ➔ At BT, we celebrate **Logic** and we have been the **pioneers** of the **Foundation course** in Pune, which we introduced in **2006**, setting a trend in **early preparation.**
- ➔ We have had **single digit ranks in JEE seven times.** No other institute in Pune has ever produced a single digit rank in **JEE Advanced.** Apart from the top ranks, the total number of students from BT that go into **top colleges is unparalleled.**
- ➔ Most national players are **financially struggling** & have expanded uncontrollably through franchisees. We are a **strong & stable organisation** with no franchisees and our commitment towards students is **unmatched.**
- ➔ We attract the best of the teachers from across the country due to our **ethical work culture and rewarding remunerations.**
- ➔ As we complete our **20 years**, we feel **humbled and grateful.** We pledge to continue **innovating** and providing **top-quality services** to our students.

## About Pre-Foundation Advanced Course

### Course material & Online testing platform

We will provide our own course material with detailed theory and problems of all the topics which we shall cover in this course. We will also provide an online testing platform which is used to conduct various practice tests and online BTests (once in every month). This Online platform provides a detailed & personalised analysis of the student's performance like time spent to solve each question, subject wise comparison with toppers, topic wise strength & weaknesses etc. giving vital inputs for improvement in the examination technique.

Students (residing in Pune) will be requested to collect the study material from their nearest BT center in Pune. Students (residing outside Pune) will get the study material via courier free of cost (within India). Overseas students will be expected to bear the courier charges.

### Doubt clearing platforms

Apart from doubts discussed during the lecture, there would be various ways through which students can get their doubts cleared. Following are the platforms which students can use for the same:

#### 1. Online doubt session

In addition to the weekly lecture, there will be two weekly problem-solving sessions for 1.5 hour each.

#### 2. After the lecture

Teachers are available for doubt discussion for at least 15 mins after the lecture as well. Students can make use of this extra time to interact with teacher and get their doubts solved.

#### 3. Availability of teachers at centers:

At most centers, teachers are available throughout the day where students can discuss their doubts personally with them on a one-to-one basis.

#### 4. Doubt Forum

Bakliwal Tutorials has an interactive doubt forum with exciting features where students can post their doubts and also solve the doubts of other students. Teachers also provide detailed video solutions of the doubts in the forum. The questions are easily searchable and are systematically available for reference and learning. Despite being a closed forum, meant exclusively for BT students, BT's forum is amongst the top results in Google search.

#### 5. Telegram group

Official Telegram groups (similar to WhatsApp groups) are created batch-wise with the sole purpose of doubts discussion. Students can post their doubts in that group and fellow batch mates along with teachers will participate to solve the same. This helps students to get instant solutions to most of their doubts at almost any time of the day.

**Ans.** Next year, (in your 8th standard) you will get to attend the Foundation Basic course at BT, which covers some interesting topics on Physics, Chemistry, Mathematics, Logic and Coding. In subsequent years, you'll get to attend the Foundation Advanced and Foundation Advanced Plus courses.

**Q5. We have heard that BT encourages a few outstanding students from 9th/10th std to attend 1 subject out of P/C/M with 11th standard students. Is that true?**

**Ans.** Yes, this course is called the 'Special Comprehensive course'. Many top rankers from BT have benefitted from this concept. For example, Vedang Asgaonkar (JEE Adv. 2020, AIR 7), Omkar Thakoor (IIT JEE 2010, AIR 11), Soham Joshi (JEE Adv. 2021, AIR 46), Vedant Talegaonkar (JEE Adv 2022, AIR 89), Kalpesh Krishna (JEE Adv. 2014, AIR 93), Shlok Pande (JEE Adv. 2021, AIR 94), Shubhranil Chatterjee (JEE Adv. 2021, AIR 157), Sahil Agrawal (IIT JEE 2010, AIR 176), T. # What makes BT different?

## 1. Unparalleled Genuine Results: Power of BT!

Unlike most institutes which do not even publish their result on their websites and thrive on fake results, we believe in absolute transparency. All the ranks mentioned by us belong to the general category unless otherwise specified clearly. All the results correspond to our classroom students. We have also given contact details of all our IIT-JEE/JEE Advanced qualified students till date, on our website, in the results section. We are yet to come across an institute in entire India which has the honesty, courage & confidence of declaring their results, consistently year after year, in such a transparent manner.

## 2. Offline & Online tests with detailed analysis

Offline and Online Tests at BT (called BTests) are thought provoking and bear close resemblance to the actual JEE paper. We analyse the tests from a student's perspective providing detailed and in-depth analytics on time management and test taking strategy. The analytics for the Online test are available immediately after test submission. The analytics of the Offline test are emailed in a couple of days.

Some of the parameters on which students' performance is analysed are mentioned below:

- **Subject Analysis:** Students get to know their performance in each subject along with time spent per subject per question.
- **SWOT Analysis:** Students can clearly see the topics in which they are strong or weak and then can easily decide the time to be spent on each topic going forward.
- **Analysis as per question type:** Questions in each test are tagged as per various types (single option correct, multiple options correct, integer type etc.) and students get to know how they fared under each type giving them an understanding of where they need to improve.
- **Attempt Analysis:** A unique analysis of questions attempted by the students' according to their difficulty level is provided to the students' to give an understanding of whether the easier questions were attempted earlier than the difficult questions or not.

## 3. Merit wise batches

Merit based batches is one of the attributes that is common across all the successful JEE institutes across the country. It is a proven fact that when students study with peers of relatively same intelligence level, they are able to learn more and even the teachers are able to plan their lectures well. This also creates a spirit of positive & healthy competition among the students.

## 4. Focus on Boards & MHT-CET as well

We at BT teach the basic concepts so well that the student understands the subject to the core and then it is just a matter of a little bit of tuning according to the different exams. We ensure that the students get thoroughly prepared for the board exams & other popular exams like MHT-CET, BITSAT, Olympiads etc as well. After the syllabus is completed in 12th std (sometime in October), we conduct special lectures for Boards/BITSAT/MHT-CET preparation. In such lectures, students are trained as per the different pattern of these exams and mock tests of all these exams are also conducted. Students at BT have been doing exceptionally well in Boards, BITSAT, MHT-CET & other exams (details of the same have been updated on the website link: [https://www.bakliwالتutorialsiiit.com/result\\_other\\_exam/](https://www.bakliwالتutorialsiiit.com/result_other_exam/)).

## What makes BT different?

### 5. Well Equipped Classrooms, Study Room & Library Facility

BT offers state of the art infrastructure at each of their centre with spacious, AC ventilated classrooms having Digital Boards. In addition to the classrooms, separate study rooms are maintained which are dedicated for students for their self study. Students can also make use of the various reference books available in the library.

### 6. Counseling Session after JEE Advanced Result

A detailed counseling session is conducted for all the students after their JEE and other exam results are declared. In this session, along with the teachers, senior students from BT, who have joined various IITs and other top colleges like NIT's, BITS etc. participate and guide the passing out batch on the right options to choose as per their merit and interest.

### 7. Student Mentorship Program

Each and every student at BT is assigned a personal Mentor. These mentors are young trainee teachers at BT, who have recently passed out from top colleges like IIT/NIT etc. Mentor keeps meeting the student at regular intervals, discusses student's academic activities in detail including the daily study routine. The mentor also keeps a check of the progress of the student and connects with the parent to discuss the same. Basically, the mentor plays the role of an elder brother/sister to the student and guides the student academically and non academically in this journey empathetically.

### 8. BT Culture

Out of the box events like Whizz-kid (Puzzle Competition), Felicitation Function in which meritorious students are awarded with Cash Prizes, Staff birthday celebrations, Picnic with 12th passing out students along with the faculty, Seminars, Counselling Session after JEE Advanced result etc truly make BT different.

### 9. Interaction with parents on child's progress

We ensure that we stay connected with parents through various ways and keep them in loop with respect to their child's progress during the preparation. Parents are also sent absenteeism SMS on daily basis and test results with detailed analysis after every test. We also conduct a seminar on effective parenting where we share our views on how parents can contribute in child's studies. PTM is occasionally conducted where one to one feedback is provided to them etc. Parents can also meet teachers occasionally after the lectures. Thus, parents are kept totally involved during the entire journey so that we work together for the intellectual growth of the child.

### 10. Insightful Seminars

In addition to the regular lectures, special seminars on various topics are conducted at regular intervals to guide the student on mental and other aspects which are important for JEE preparation along with the academics part. Special seminars/interaction sessions are also conducted with parents where we discuss with them as to what can be their role on their child's preparation. This ensures that students are highly motivated and aware about all the important aspects during their JEE preparation journey.

# Toppers Speak

## Akshat Chugh

JEE Adv 2017 AIR 2 - Maharashtra Topper

All those hours spent in class studying, discussing and laughing cannot be forgotten. I have no doubt that I would not be able to get even a triple digit rank without BT. The teachers here are truly amazing. They know exactly what works and exactly when to push students. I had never seen such passionate teachers before joining BT.

Akshat Chugh

## Omkar Thakoor

IIT JEE 2010 AIR 11 - Maharashtra Topper

I am very grateful to my teachers at BT-Vaibhav sir, C.M. Sir. They have taught us so well, I wonder if I will ever get better teachers, even @ IITB! Now, it has been a long association over 4 yrs, that I have been at BT and memories of this bond will help me get going through rough and tough patches of life.

Omkar Thakoor  
(Omkar Thakoor)

## Karthik Mahesh

JEE Adv 2015 AIR 22 - Maharashtra Topper

Especially Vaibhav sir, whose mental preparation techniques gave me confidence that I really could crack IIT. He also taught me how to learn physics, and how to really dive into a topic. If I got a chance to do this again, I surely would, and would strive to do my best, as was the most important lesson given by BT to me.

Karthik Mahesh

## Kashvi Khurana

JEE Adv 2024 AIR 39 - Maharashtra Girls Topper

My journey here at BT was a very memorable and fantastic road. I found a friend group with the same focus, and we would resonate so well and helped each other grow and learn. The teachers here were absolutely wonderful, with deep conceptual knowledge and an incredible eagerness to help the students with doubts.

## Soham Joshi

JEE Adv 2021 AIR 46 - Pune Topper

I joined BT in 8<sup>th</sup> grade for the foundation course which helped me appreciate logical reasoning and I pursued the spl cl comp course in physics for 2 years (9<sup>th</sup>, 10<sup>th</sup>) which helped me appreciate the power of fundamental thinking. In all these courses all the teachers I have encountered & all my peers have been very friendly and willing to discuss anything freely, all thanks to this wonderful culture of BT.

Soham Joshi  
JEE Adv. AIR 46  
KVIFY AIR 39

## Rohan Prinja

IIT JEE 2011 AIR 53 - Pune Topper

I have no idea what might have happened on 10<sup>th</sup> April 2011, had I never joined BT. Maybe I wouldn't have qualified at all... maybe I would have narrowly qualified with a rank in the 9000s. It's impossible to predict. But one thing is of sure - These two years spent preparing for JEE would surely not have been as much fun!

These two years in BT were, quite simply, AWESOME. I studied the hardest I had ever in my life, and I also did the most to enjoy myself these two years. And if I could turn back time, I'd do it again, no doubt.

My main phase of preparation was the Comprehensive Course in 11<sup>th</sup> & 12<sup>th</sup>. These 2 years have been the most fruitful & memorable years of my life, and not only did I study PCM in great depth, but I also transformed as a person. In my opinion, JEE is not only a test of PCM skills, but also of perseverance, dedication and presence of mind.

**Vedant Talegaonkar**      **JEE Advanced 2022 AIR 89 - Pune Rank 2**

I got an AIR of 5883 in my 1st attempt. I knew I had not worked as hard in my 11<sup>th</sup> and 12<sup>th</sup> and hence hadn't performed to the best of my potential. This is when I was wisely advised by VB sir to give it another shot and join the juniors batch at BT.

**Kevin Daniel**      **IIT JEE 2012 AIR 92 - Pune Topper**

I had joined BT way back in class 8, as a little boy... Perhaps the best way would be to expand "BT" differently. Thank You BT for, 'Brilliant' Teachers, 'Beautiful' Team, and most importantly, 'B'lessful 'Times!!! 😊

**Kalpesh Krishna**      **JEE Advanced 2014 AIR 93 - Pune Topper**

If given the opportunity, I would do it all over again.

**Abhinav Sharda**      **JEE Advanced 2024 AIR 338**

I joined BT in 9<sup>th</sup> grade and it has been a wonderful journey. I want to thank all the teachers, the staff and my peers for their constant support. The environment at BT helps promote healthy competition among students. The teachers are very approachable and open to doubt solving 24-7. The systematic tests (and their analysis) helped me in highlighting my weaknesses. Choosing BT has been the right choice.
